University of Tennessee, Knoxville Aug 2022 to May 2026

Business -- Supply Chain Management -- Minor in Sales

LICENSES & CREDENTIALS

Life and Health Insurance Licenses | Securities Industry Essentials (SIE) Exam

Ambitious Supply Chain Management graduate with hands-on experience in logistics, marketing, and customer outreach. Holds Life and Health Insurance licenses and has passed the Securities Industry Essentials (SIE) Exam. Coordinated end-to-end freight movement and conducted proactive sales outreach as a Logistics Consultant Intern, and developed promotional content and events as a Marketing Intern to drive engagement. Strong technical proficiency in Excel, Tableau, Alteryx, and Odoo, combined with proven teamwork and communication skills—seeking a sales or financial services role to apply data-driven problem solving and relationship-building to grow accounts and improve client relationships.

Logistics Consultant Intern, Axle Logistics Aug 2025 to Mar 2026

Knoxville, TN

Coordinated and monitored all aspects of freight movement, ensuring accuracy in scheduling, routing, and delivery of inbound and outbound shipments.

Maintained detailed shipment records, including freight contents, carrier assignments, delivery timelines, pricing structures, and driver logistics, to support seamless operations and client transparency.

Conducted proactive outreach to prospective clients through high-volume sales calls, identifying decision-makers in shipping and procurement and presenting tailored logistics solutions to secure new business.

Marketing Intern , University of Tennessee Mar 2026 to May 2026

Knoxville, TN

Produced and edited promotional videos and marketing content to increase awareness and engagement for campus initiatives.

Organized and staffed tabling events, directly engaging students and promoting programs through effective outreach.

Designed and conducted student surveys, analyzing feedback to support data-driven marketing and engagement strategies.

Coordinated dining and networking events, managing logistics, promotion, and attendee experience to maximize participation.

Para Professional, Simsbury Public Schools Dec 2022 to Present

Simsbury, CT

Provided instructional and behavioral support to K–8 students in both general and special education settings, fostering academic growth and student engagement.

Collaborated closely with teachers, specialists, and support staff to implement individualized learning strategies and accommodate diverse student needs.

Adapted quickly to changing classroom environments and student requirements, ensuring a safe, inclusive, and productive learning experience.
